

## PROLED PANEL LIGHT

Surface mounted compact LED Round panel is a combination of brilliant light and robustness. The edge lit LED has wide indoor lighting application, which will help you to brighten up your space and mood.

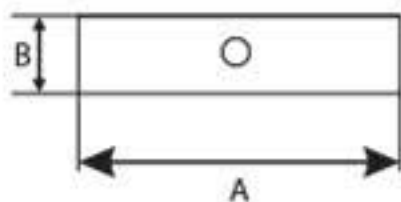

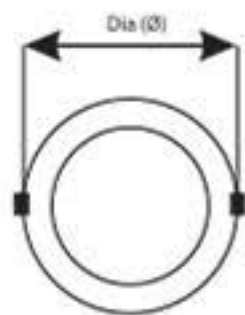

**SURFACE ROUND**

MPLRS 02 3 6 12 18 24 **W**

### SALIENT FEATURES

- Energy saving upto 85% compared to standard halogen and incandescent lamp
- Durability - longer life time
- Uniform, soft and bright diffused light output
- Eco-friendly, no harmful UV and IR Radiation
- High CRI and Lumen Output
- Available in cool white and warm white colours

Catalogue Reference	Wattage (W)	Dimension (mm)		Dia (mm)
		A	B	
MPLRS 02 03W	3W	83	35	83
MPLRS 02 06W	6W	120	38	120
MPLRS 02 12W	12W	170	38	170
MPLRS 02 18W	18W	220	38	220
MPLRS 02 24W	24W	220	38	220

**CONSTRUCTION** : Aluminium + PMMA

**APPLICATION** : Commercial, Residential, Shopping Malls, Shops, Corridors etc.

**INSTALLATION** : To be fitted with the help of screws and plate provided at the back side of the fitting.

**ELECTRICAL DATA** : Nominal Voltage - AC 240V  
Frequency Range - 50Hz-60Hz

### TECHNICAL DATA

Cat. Ref.	System Wattage (W)	Lumen Output (lm)	CRI	System Efficiency	Beam Angle	Protection Grade (IP)
